Wind Speed Details

- smell 7 am, still evident after 8 am when drove to Bawtry
- 8 After a long spell during which the odour from Tunnel Tech was less of a problem within Misson, the unmistakable smell was particularly evident in the village at 09:00 this morning, Wednesday 4th May. I have to ask whether it is worth checking with Tunne
- 15 Friday 6th May - disgusting TT stink all over Misson from 1.50pm.
Would someone have the courtesy to reply with a reason for the stinks of late again? Residents are repeatedly ignored when asking for a reason...bad manners in my book.
- 15 We wish to report a breach of permit for yesterday afternoon. About 2pm for over an hour there was a horrible stench in village. Made working in the garden unpleasant.
- 12 10.25 pm outside his house
- 12 8.25 pm outside his house
- 13 and 17 11.42 am and 2.58 pm outside his house
8.32 pm outside his house
We've had a welcome break from the Tunnel Tech stink in recent months but suddenly it's back. I've highlighted many times previously that the smell is very often worse after heavy rain, which we have had the past few days.
- 9 What has gone wrong. Stepped out this morning for a dog walk at 6.50am to be met by awful TTN stench. This pervaded throughout the walk along the old railway line, Mill House and West Street and Manor close.
- between 12 ar There is an awful smell coming from Tunnel Tech North. This has been on and off all day from around 7.15am and it is now 1.20pm.
- between 12 ar Horrendous odour filling house from tunnel tech north. 5/5.
Would somebody care to provide an explanation for this breach of permit?
Is there a breakdown on site?
- between 12 ar After a period of welcome respite from the odour issues, with only minimal outbreaks here and there, we have awoken this morning to a foul stench which is hanging around and has necessitated closing all windows.
- between 12 ar Thursday 9th June, bad smell present in the house when we came downstairs at 07.30, and apparent outside. Could smell Tunnel Tech outside on and off during the morning.
- between 15 ar Not that anyone's taking any notice, but vile filthy TT stench Friday 10th June all day & disgusting stink till after 10pm in Manor Close.
- between 15 ar Again smell all around this morning. I noticed it just now while walking the dogs at 9.30. Outside my house and all the way to the field behind Back Lane.
- between 15 ar The odour still persists around my property at 10.30 am but the strength is around 4 out of 10.
Once again, can you please investigate why this outbreak has occurred ?
Are they carrying out any purging or venting operations ?
- between 15 ar Thurs 9th June - after a few weeks of 'milder' TT odours, vile odours are back with a vengeance, from early morning and lasting all day wafting around Village. In case you had forgotten at BDC, residents have a right to know the reasons for the sudden
- between 15 ar Very stong odour from tunnel tech pervading the house. 5/5.
Odour has been in the air all day yesterday and today at varying strengths but always detectable. Yet again we ask why and what is the source?
Are tunnel tech doing some different procedure?

between 15 ar Again the smell from Tunnel Tech has been around on and off all day. Really strong this afternoon around 2.30 to the point that doors had to be closed.

Around 20 As Mr X has said this is the third day in a row where the village has been plagued by stench from TTN.
Noticed it this morning at 7am and it has come and gone all day.
As others have said there must be a reason for this sudden breach

Around 20 Saturday 11th June, TT stink most of day, vile stench wafting around Manor Close in afternoon.

Around 20 Saturday 11th June - 15.50 - sitting outside in the garden when the unmistakable smell of Tunnel Tech came in on the strong breeze which was blowing directly from the plant. 6.5/10

Around 20

Around 20 This is now the third consecutive day of permit breaches at TTN Newington.

We have suffered intermittent foul odour for most of the day.

12 As previously stated we have recently enjoyed a long period with little or no pollution which tells 16.45 Monday 13th June odour from tunnel tech north is permeating the house 5/5 .
This is disgusting, we should be able to work outdoors anywhere in the village & especially in our own gardens - the letter residents received this week is the usual twaddle....Best Available Techniques is just an excuse.

Between 5 and Thurs 16th June - vile TT stink midday onwards around Manor Close & on Misson Road whilst trying to complete outdoor community work.

This is disgusting, we should be able to work outdoors anywhere in the village & especially in our own gardens - the l

Between 5 and Came outside to enjoy some late sunshine without the heat, enjoying a cup of tea - and wham!! Straight at us from Tunnel Tech on the breeze. Intermittent but absolutely vile.
As I'm sure you will be at work Mr Middleton, this gives you an opportunity t

Between 5 and Sitting outside in the warm evening air eating strawberries and ice cream, driven inside by the vile stench coming from Tunnel Tech. Truly 10/10
What's going on?? Is this really operating to "Best Available Technique"??? The letter we all received th

Between 5 and Something is wrong across at Tunnel Tech. Despite this being a very warm evening, we have just now needed to close all doors and windows because of the foul odour coming across the field from the factory.

Between 5 and Lovely evening isn't it? Bet you have all sat out in your gardens enjoying the summer at last.

We did too but our evening was blighted by the stench from TTN.

Simon can you please explain why we have been getting your stench over the last few days
After a few days away I have returned to the prison of having to close windows and doors because of the disgusting odour from tunnel tech.

Fairly blustery All morning so far there has been an awful smell coming from Tunnel Tech.

Again we seem to be having to endure this on a daily basis which suggests that the "BAT" is not effective enough to stop the odour from travelling way beyond the site boundaries.

Had to get up and shut the bedroom windows due to the strong stench coming from Tunnel Tech. It's really nasty, like raw sewage or pig farms. What's going on? You can tell from our complaints there has been a long period without a problem, and now sudd

I wish to report the foul smell coming from Tunnel Tech North this morning around the time of 4am. After a few days away I have returned to the prison of having to close windows and doors because of the disgusting odour from tunnel tech.

I wish to report the foul smell coming from Tunnel Tech North this morning, noticed from 6am onwards.

vile TT stench outside the site boundary driving past at 11.50am, still a vicious stink along Misson road from TT into village at 3pm.

Saturday 25th June - vile obnoxious TT stench 8am driving past site, stink outside the boundary - still stinking 9.40am. In case you have forgotten, many of us have lived in the village for over 40 years....we know the difference in odours Ms Stewart.

Sunday 26 June - vile TT stench 11.40am driving past site, still stinking & wafting along Misson Road from TT to village.

Very strong nasty smell coming from TT this morning (9am), noticed when driving past on way to the Dr's.

Tuesday 28 June - vile TT stink driving past site 12.50pm & still a stench wafting along Misson Road from TT to village.

stinking down Bawtry Road from quarry to TTN - 8/10

stinking even worse from TTN to Misson sign. 9/10
