Strong odour, 5am , 9am , 12 midday , 1pm.5/5.

2nd July, 2022 - We drove out of Misson at 11.30 am this morning and stopped to post a letter on the green. The stench from TTN was horrendous and had a smell of rotten eggs. We then drove towards Bawtry and encountered the stink outside the gates of the

Sunday 3rd July at 12.50 pm. Horrific stench coming from Tunnel Tech. Came out of nowhere and at a strength of 10/10. Choking vile stink. And I was horrified as I had guests for lunch. How disgusting that this happens. It's soul destroying when you're jus

TTN currently stinking. Coming directly at us on the wind.

BDC if this is your idea of BAT then you set shockingly low standards.

Saturday 2nd July 20.15 hrs. Had to close the windows because of the very strong pong from TTN.

Saturday 2nd July 11.30

Why do we feel like a prisoners in our own home?

We have had to close all windows and doors due to strong odour from tunnel tech. 7/5

Please can we have an explanation for the breach of permit?

9/10 had to close window due to smell

woken by Tunnel Tech stench coming across the field. It has caused me to close the bedroom window. Hopefully, you will be able to verify what is happening at this time in the morning and rectify it.

Sunday 10th July - vile TT stink from Ship Inn pub, Newington to along Misson road 1.40pm.

For the last three nights the stench from Tunnel Tech North has been drifting around Misson starting at around 7.00pm in the evening until at least 6.00am in the morning. During this hot weather it is unbearable with the windows closed because of the heat

TT odour / 8:02pm Outside his house.

It has been a day of odour nuisance on and off most of the day today from TTN. I have just come inside at 9.30pm as the smell in my garden is vile. There is no wind at all and yet this rotten smell still finds it's way over from Tunnel Tech like a blanket

woke up with the smell at 4 am. Went along Hagg Lane later and it is there also

Tuesday 12th July - vile TT stench on Misson Road towards village, especially obnoxious at village MISSON stone sign 9.40am.

Tuesday 12th July - shopping at Misson Mills this morning at around 11am & vile stink.

I wish to report the foul smell coming from Tunnel Tech North this morning, noticed from 4am onwards

23.50 pm Tuesday 12th July.

We have just been awoken by the most horrendous odour from tunnel tech.

The house is absolutely full of odour it's off the scale , gut wrenching.

If this is the odour abatement plant working efficiently after repair of th

Just gone to bed, no smell 10 minutes ago but now it's stinking. REALLY STINKING!!

We think as it's hot TTN workforce is just opening the doors to let the stench out. Somewhat sceptical about a breakage!!

Unfortunately that means, that yet again we've

Why is it that the stink is always worse in the evening, night and early morning? Could it have something to do with the fact that there is nobody monitoring the premises at these times. It seems very suspicious to me.

TT odour/ 7:55am & 8:26am Outside his house

It's 8am on Thursday 14th July and I opened my door to let the dog out and wished I hadn't! The stench out there is vile coming from Tunnel Tech. I am sick of this. I quickly had to close the door to keep out the smell.

What is the excuse for today's b

Salutations to all

Walking the dog this morning there was the stench of TTN all over the village and old railway line.

last night and this morning that it was detected at my property.

The stench is putrid and unbearable

Woken by the stench from Tunnel Tech literally oozing into the bedroom through the windows which are only open the tiniest crack, latched on the trickle vent. Now firmly closed again. It's apparent this stink has been building up for some time as it's all

it's 03.04. Carbon copy of early morning 15th so I'm not typing it all again. Guess that "part" has failed again as Tunnel Tech stinking. So windows having to be closed again

I went to sleep with my bedroom windows wide open (rather than having had the advantage of cooling the room with my air conditioning unit)

Odour on and off all week in the early hours of the morning. Can't sleep with windows open. Have not complained because alerted to machinery failure but have since heard this has been repaired. Woken at 0300 last night having to close windows

I was awoken in the early hours of this morning by the foul stench from TTN. What is happening at this factory? When the wind is in the direction of Misson the stench is as bad as it was when I first came to this village 17 years ago.

vile smell coming from tunnel tech on Tuesday the nineteenth when it was red hot we had to sit in the property with the windows shut this is not acceptable, this is on a regular basis

I would like to inform you of the vile smell coming from tunnel tech on Tuesday the nineteenth when it was red hot we had to sit in the property with the windows shut this is not acceptable, this is on a regular basis

Thursday 21 July - Vile TT stink driving past site 12.33pm, wafting towards Bawtry & filling my car with the stench...no change there then.

For 3 days this week on the hottest days when we could sit out in the garden, we have been subject to the obnoxious smell from Tunnel tech. We thought this problem was supposed to be sorted but alas no.

Friday 22 July - driving past TT site 1.30pm vile stink.

Saturday 23 July - vile TT stink 5.50pm on Misson Road into village, even more vile on approach to Misson stone sign.

Driving towards Bawtry and then back again on the 30th, 29th, 28th, 27th and 26th July the stench from Tunnel Tech North has been disgusting. The wind was not in the direction of Misson but that makes little difference as others will be suffering. The same

Wednesday 27 July - driving past site vile TT stink 11.30am & wafting around on Misson Road.

Driving towards Bawtry and then back again on the 30th, 29th, 28th, 27th and 26th July the stench from Tunnel Tech North has been disgusting. The wind was not in the direction of Misson but that makes little difference as others will be suffering. The same

Saturday 30 July - the usual vile TT stink in Manor Close 7.50pm.

Sunday 31 July - Worse than vile stink 7.50am in Manor Close.

No doubt there'll be some excuse about a part failing.

Tuesday 10.50 am - Tunnel Tech stinking from edge of Misson past plant into Newington. But then as I've said a good few times, it always stinks after it rains.

Lovely sulphurous stink from Tunnel Tech been blowing our way for the past hour. The house is now filled with the delightful stench of rotten eggs.

Lovely sulphurous stink from Tunnel Tech been blowing our way for the past hour.

We have been suffering horrendous odours from TTN since around 10.00pm this evening.

It is a very warm evening and we now have to close all windows which makes it stifling indoors.

What is the issue today ?

Has anything broken or are the operatives

had to close the windows at 10.05pm because of odour coming across from Tunnel Tech. I could easily see how this might be a member of staff opening a door to get cool; equally there may be a fault in the process.

I wish to report the foul smell coming from Tunnel Tech this evening at the time of sent email.

I'm typing this from the bedroom. Windows open on coming upstairs at 11.30 no problem. At 11.50 I had to shut them tightly as the stench started again. It's strong.

It's not on. The outside temperature is still 16°C and it's very stuffy with closed windows

05.34 - rushed to shut the bedroom window - absolutely vile smell from Tunnel Tech. 10/10  
Great start to the week.

05.34 - rushed to shut the bedroom window - absolutely vile smell from Tunnel Tech. 10/10  
Great start to the week.

TT odour / On the road into the village - 8:34pm

Started about 1pm and still around now at 3pm

I couldn't smell it in our bungalow as I believe the wind was taking it towards the top end of the village and towards Misson Springs. It was certainly well outside the boundary of this factory as it always is.

Very acrid unpleasant odour from tunnel tech has been floating around the avenue, noticeable since @ 2pm Thursday 18th August 2022. 6.30 pm Thurs Odour from tunnel tech absolutely disgusting. Having to close doors and windows

Noticed the unpleasant TTN smell around 1.30pm today around Gibdyke and along the High street

Thursday 18 Aug - filthy vile TT stink on Misson Road just before site & outside site boundary 11.20am, still stinking 3.12pm on driving back in to village.

At 21.33 hours 9/10 odour around the house

Odour Friday and Saturday but no times given

Please register a complaint regarding the odour over the last few days coming from TT. We live at Station Rd, Misson

I wish to report the foul smell coming from Tunnel Tech North today, on and off all day and still smelling strongly at the time of this email

11am then hung around all day, was smelling in the house also

. The first time was while walking in the field off Back Lane in Misson about 3pm and the second time was passing the site at 8pm 21.11 hours, around the house

Strong odour from tunnel tech from 7am Saturday 20th August 2022 continuous on bryants lane and now 9am affecting coronation Ave.

Saturday 20 Aug - vile sickening TT stink in Manor Close from 10.45am.

Still stinking in Manor Close & around the village at after 5pm, Another email sent 9.19 pm still smelling

TTN stench pervading Manor close this morning - any reason for yet another breach of permit? 3rd email - still smelling at 21.00 hours

Saturday spoiled by the horrendous stench coming from Tunnel Tech. It has been around since 9am this morning

Odour Friday and Saturday but no times given, sent a 2nd email later in the day

I noticed this around 4.30 pm today whilst dog walking on a circular route around the village.

It was particularly bad along the old railway line and then along Top Street near the cemetery

Odour continued through the night and still strong 8/10 at 1.30 am

Returned home from a night out at 1.45am and the stench from Tunnel Tech was horrific and off the scale

Yet again the stink from Tunnel Tech has spoiled an afternoon's gardening. This time it is reminiscent of rotting flesh which grips the back of the throat

Sunday 21 Aug - driving past TT & vile odour well outside the boundary 7.50am, also stinking most of the night on 20th Aug.

7.34 am I wish to report the foul smell coming from Tunnel Tech North today, smelling strongly at the time of this email.

Horrendous stench this morning permeating the whole village

The smell this morning is horrendous....easily a 9/10.

Disgusting odour all around our property this morning

0755 hours House and on the Rd

- intermittent TT stink all day, still a stink at 4.50pm at MISSON village sign

2043 hours, road into village

Just driven out of the village. TTN stinking from West Street to past polluting factory. Not fixed then ?

Just driven back into Doncaster past The Mount Pleasant Hotel. Not so pleasant. Picked up stink from the rogue factory. Quite a long way from the perimeter of the site but quite given the wind direction. SSW

Wednesday 24 Aug - vile TT stink on Misson Road 10.30am & driving past site (well outside site boundary), still stinking 1.20pm.

I wish to report the foul smell coming from Tunnel Tech North today, smelling strongly at the time of this email.

Just went into my bedroom hoping to go to sleep but as I had stupidly left my small window open the room smells like an abattoir. It rained earlier. Clearly the problem has not been solved.

It's now 2am and just checked to see if I can open a window but TT has been smelling since 10.30pm. Very strong smell. Please investigate and log this complaint.

1349 hours and 1530 hours both on rd, 8/10

Saturday 3rd Sept - 12.10pm vile TT stench on Misson Road near site & outside site boundary, still stinking at 2.50pm.

1557 hours Road into the village

1657 hours or 1757 hours in village. 8/10

The smell for the last hour has been horrendous this is about as bad as anything can get. We have had to close all the windows and doors and the smell is still getting in the house and on a very muggy night this will be a very sleepless night.

Thursday 8th Sept - disgusting vile TT odour on Misson Road outside site boundary 11.25am.

The weather conditions this morning are damp and foggy. At 6.40am we had to close the windows because of Tunnel tech odour.

There is a bad smell around this morning coming from Tunnel Tech and clearly a breach of their permit for the odour to travel this far out of their boundary to my property. Please log 2 complaints

I wish to report the foul smell coming from Tunnel Tech North throughout the night, which resulted in us being woken up and having to close our windows!

Wed 21 Sept - vile TT stench driving past site 10.50am, still a stink at 3.25pm along Misson Road.
