2025-19.10 Consider offering an MPC Governor to school – considered, but agreed not to debate it as Acting Chair of School Governors spoke to the meeting and said this was not helpful to school. Anyone can volunteer to be a governor and they will be considered by the governing body.

2025-20.11 Consider request from MCA to fix two brackets to house two flagpoles ; to the wall, gable end of Misson Parish Hall. Discussed at length amongst council members. To have 2 brackets : voted on and result was 2 in favour 4 against (Cllr Green abstained). 1 bracket voted on and result was 3 in favour 3 against (Cllr Green abstained). The proposal was not passed and therefore a decision of “no” is made to this consideration. Support would be given to MCA for a free-standing flagpole next to Parish Hall. New flagpole at Misson Church would be preferred.

3. Funeral Director John Pinder asked for consent to leave spoil on new graves, to monitor the changes in ground condition due to recent climate changes. Removing all the spoil at burial often results in graves sinking. It was agreed to support this; time boundary

given will be one year. John Pinder has agreed if there is any spoil left after the 12 months, Pinder & Son will hire a skip and remove any excess. Clerk to write to John Pinder and inform him of decision.

2025-22.14 Next MPC meeting, will take place on Wednesday 7th May 2025 at 6:45pm, and will be the Annual Parish Council Meeting at which the Chair and Vice-Chair will be elected for the next year. The date was also set for the Annual Parish Meeting, which will take place at 7pm on Wednesday 14th May 2025

At 9pm the public were thanked for their attendance and support, and invited to leave so the Council could consider a confidential matter which correctly excluded public observation.

2025-23.15 Regarding the on-going AGAR Objection : MPC has received notice of costs of this investigation by PFK Littlejohn. The work is carried out by an engagement lead at a cost to MPC of £355 per hour plus VAT, i.e. £2,485 per day plus VAT. It was suggested that MPC consider making an approach to the objector to try and reconcile their objections at a local level. Given that the objector is a Parish Councillor, the Chair has approached a third party to act as facilitator in the event that this option is acceptable to the objector. The matter was put to the objector in private, and they agreed to try this route to reconciliation without compromising their option to have the matter investigated formally, at cost, should it prove not possible to find resolution.

The meeting closed at 9.30pm.
