Details

03:13am ---Just been woken by the stink coming from Tunnel Tech. All the windows are closed but the house stinks. 2 complaints

See attached odour complaint - Drove past site, both times rotten egg smell

See attached - Usual bad odour from the above

See attached odour complaint - No odour until mid day then bad odour again.

See attached - 8.28pm left windows and doors open, the stench was horrendous.

See attached - Disgusting odour from above

see attached - Strong odour from above in the evening.

Friday 4th September:"The smell from Tunnel Tech North has been horrendous just lately, especially last night the smell kept waking me up all night, not happy.."

Friday 4th September:"The smell from Tunnel Tech North has been horrendous just lately, especially last night the smell kept waking me up all night, not happy.."

Another day ruined by the continual odious pollution from the Tunnel Tech Composting factory bankrolled by the multi-national Monaghan Mushrooms. This has been going on all day.

been particularly bad this week

It was bad all day yesterday too. This is getting beyond a joke. Residents of the village who have lived here many years tell me that this is the worst its ever been.

8.10 pm - outside house

See attached - Left upstairs windows open, there was a very bad odour inside the house from the above

See attached - Strong odour from above today.

the smell is worse now than it has ever been. The smell is that bad that it can be tasted. I also have grave concerns regarding the airborne spores coming from there.

See attached - Vile stench at 9.30am and still at 10.30am.

Yet again the house is full of stench from tunnel tech

Saturday 5th - our village show outside on The Green. Assailed by the stink all day - whenever the breeze blew in.

odour 5th, 6th and 8th - particularly worse than usual

It's been a very good day with no odour until 9pm when the smell which is like rotten eggs drifted into the house. A really disgusting smell.Its now 23.40 and remains offensive.

First was around 5am and the second, which was really bad, was around 9pm

9.37 pm - road into village, 10.15 pm outside house

Saturday morning, 5.9.20. Woke up to the disgusting stench

Sunday 6th September: "Tunnel Tech North - the smell Was very sickening again last night".

Sunday 6th September: "Tunnel Tech North - the smell Was very sickening again last night".

Sunday 6th - vile raw s**t smell all day and evening/night.

odour 5th, 6th and 8th - particularly worse than usual

It was bad all day yesterday too. This is getting beyond a joke. Residents of the village who have lived here many years tell me that this is the worst its ever been.

With reference to the above company, the foul stench from this plant is over the whole of the village once again.

Monday 7th - we escaped from the village all day but TTN was stinking as we drove out and as we drove past again returning home.

Monday 7th Sept - driving back into the village at 12.30pm to the usual horrendous TT stink. - most filthy stench from around 4.30pm & even worse by 10pm. As always could not leave windows open, the stench was all over my home for hours even with door

2.45 pm on and off but very bad - outside house

I have just got home&as I drove past TT the smell from TT was so strong it took my breath away. Definitely one of the strongest I have smelt. Please can you log this at 9:50 on Tuesday 8th September 2020.

Tuesday 8th - intermittently stinking throughout the day and evening/night.

Hi, smelt outside in garden again this morning. Noticed it about 8am.

odour 5th, 6th and 8th - particularly worse than usual

vile TT stench from early morning, put some washing on the clothes line & had to bring it back in as the stink was clinging to everything - it's not the first time I've had to wash them again

4.25 onwards, outside house

once again it smells both inside and outside. Noticed it about 6am when I went outside. The downstairs of my house reeks. This nuisance is becoming almost constant.

TT has smelt bad today , very unpleasant.

Thursday 10th - intermittently stinking throughout the day and all evening/night.

it reeks once again in Misson. Noticed it about 3pm but as it's quite a breezy day it's now cleared from outside but inside it's time to light the perfumed candles. It smells vile

Hi, smells again both inside my house and outside (9am).Air was clear at 7 30 this morning so emissions have started since then.

With reference to the above company, the foul stench from this plant is over the whole of the village once again. 8.20 pm. The stench from the above-mentioned company is just starting to overwhelm the village

vile TT stink in my home from around 3pm, it's disgusting having to put up with this pollution from TT, Second email sent later in the day

There has been a strong smell at the bottom of our garden this afternoon which is clearly from Tunnel Tech North

5.10 pm - outside house

the smell from Tunnel Tech has hit me again last night coming home from my parents in Austerfield to Misson. This time it wasn't as I passed Tunnel Tech, as is sometimes

The smell actually woke me up this morning around 6.00 am and I had to close any open windows. The smell is again very noticeable this evening.

TT smelly today.

Friday 11th - stinking all day and evening/night

vile choking TT odours that became apparent around 1pm & still stinking at 3.40pm

12.28 pm road into village, 4.25 pm outside house, 5.05 pm outside house

The odour has been unbelievable over these past two days, excelling even the really horrible stench we regularly get. Please can you investigate what this odour is please, as we are reliably informed by our parish council

The odour has been unbelievable over these past two days, excelling even the really horrible stench we regularly get. Please can you investigate what this odour is please, as we are reliably informed by our parish council that the odour is not from tu

it reeks once again in Misson. Noticed it about 3pm but as it's quite a breezy day it's now cleared from outside but inside it's time to light the perfumed candles. It smells vile

Saturday 12th - stinking all day

vile TT stench all day, still stinking at 10pm.

There has been a strong smell at the bottom of our garden this afternoon which is clearly from Tunnel Tech North

3.40 pm outside house

I am letting you know how offensive the smell from Tunnel Tech is today, and has been from early this morning . It is very offensive now at 16 hrs Around 11am the smell changed, becoming almost burning , with no obvious cause

There has been an unacceptable smell from Tunnel Tech @1pm and again @7.15pm in Misson today Sept 12th

it was really strong and seemed to be more ammonia based than usual. Looking back at Tunnel Tech we could see clouds of smoke/steam/vapour? In the building where the cover is being added

For the last week I have been smelling Tunnel Tech most morning at about 6am and 8pm I don't like to complain but it was really bad this morning 12/09//20 at 6am.

The stink today Sunday 13th is horrendous. I opened one window and had to shut it again immediately. The bottom of the house stinks.

Yesterday the stink was wafting around the village all day so TWO complaints from this household please.

I notice that BDC is visiting TTN today but please don't bother coming to the village to check odours as the wind direction as changed to an Easter filthy vile TT stink early morning, instead of spending time in our garden we are having to go out of the village for some respite from the stench. It is disgusting having to live like this. 2nd email at end of day about continuous smell all day

The stench was wafting around the village yesterday and it was detected inside The White Horse at 7.00pm. So around all day. This morning it is still around but worse.

Luckily we have now driven out of it. 4 complaints from us for 2 days

8.15 am and 1.35 pm, outside house - disgusting

The last few weeks have been terrible, please can I have an explanation as to why it is so bad at the moment. It really isn't fair that we have to put up with this 24 hours a day, 7 days a week. The smell has been on and off all day today, Sunday 13th Sep

Sunday morning 13th September. Had intended spending the day in the garden. I have had to come inside, close all the windows and doors and light a scented candle to mitigate the odour permeating the house

Well it's been a lovely day today & it was so nice not to have the stench of Tunnel Tech but unfortunately it didn't last. I have just passed the site & the smell was rank. Please log this as 9.20pm on 14/09/2020.

Please could you log 2 complaints for Tuesday 15th September. One for 10:20am while walking my dog in Hagg Lane & one for 9:40pm while passing in my car. On both occasions strong smell of rotten eggs.

11.27am - 12.18 pm evil smell on road into village

Smells bad today, place needs closing down. cant sit out in the garden or put washing out. hasnt been so bad for a while but its back today really bad.

Just out dog walking, gone past TT on Hagg Lane and the smell is horrid. Please log this as 18:52 on Saturday 19th September

The stench was bad again this morning as I walked by. It seems to be very regular at present.

vile sickening TT stink from early morning & still stinking at 4pm.

First noticed it at around 22.30 when we opened the door. Still smelling at 00.45.

8.20 am - Outside the house

Came downstairs at 5 15am and my house absolutely stinks. It's vile. Reeks outside too

I would like to complain about the smell tonight 22/09/2020 8.15 pm and still smelling at 8.55pm coming from Tunnel Tech.

.vile TT odours at 8.50am & driving past site.

The most vile stink at 8.30pm onwards..

vile TT stench 8.20am & driving past site, still stinking at 12.30pm

vile TT stink 9.10am & intermittent most of day, even worse stink 7.30pm.

Just to say there is the most noxious smell from Tunnel tec this morning. It is a different smell today, not chicken manure, but strong & most unpleasant, outside & in my house. My concern is what are we breathing in ?

Very strong odour from Tunnel Tech this morning in my house at 8am and outside Misson Primary School at 8:50am.

Today the wind is westerly and the smell in my garden has been dreadful, severely affecting my breathing.

said from 6 am until 11.00 am today the smell was terrible but generally can smell it all the time, Sunday not good either

Tunnel Tech stinking this morning. Obvious when I opened the window at 07.30. Still stinking at 09.30 and we're going out for the day started to stink here again over the last hour (8 15 am now). Quite putrid inside my house as well as in garden

The stench was terrible early this morning and this evening.
