Sunday 1st Nov, TT stink all afternoon.

See attached - 10:30am very stong, still present 1 hour later disgusting stink from Tunnel Tech pervading our garden.

Awful smell on and off throughout the weekend. Unfortunately no better this morning. a terrible Tunnel Tech smell at 4pm on Saturday 31st October.

Monday 2nd Nov - TT stink afternoon wafting around the village 3pm

The smell has been particular bad today.

Another smelly day in Misson. Could smell the stink from Tunnel Tech all along High Street at 08.30 when we went for a walk around the village. Smelly on and off through the day. Tunnel Tech stinking this morning. It's disgusting.

Stepped outside this morning to be greeted by the most awful stench emanating from TTN. Can somebody please remind Mr Middlebrook and the other fat cats at TTN that they only have 26 days left to complete the works demanded of them.

Thurs 5th Nov, horrendous TT stink 9am.

I would just like to make a statement regarding last night I have never complained at all but I live in Bawtry

At the hours of 2 o'clock the worst smell ever like rotting mushrooms came into the house for several hours enough to make me sick.

12:35pm on and off outside house.

We went for a walk around the village and beyond this morning. The stench was horrendous and made the walk barely bearable. 18 days to go Simon!!

See attached complaint about the smell from above

10:30am on and off still floating about. Outside his house.

Said we thought that this was going to stop in November ??

TT odour 15.25pm approx - bad as ever at his house.

9.45pm - Outside his house - very bad.

Bad odour all day from above.

12.25pm - Road into the Village

9.26am & 12.43pm Onwards - Disgusting outside his house.

Nice sunny day and last brown bin weekend so want to spend some time in the garden. So thanks to TTN will have to do it under sufferance of the obnoxious smell.

Horrendous stench from Tunnel Tech - so strong we've had to shut the kitchen window. This is in the far back corner of our semi detached house - against the neighbours wall. There's a full house between us and the stink but it's so strong the strong wind

Once again an opportunity to be out in the garden robbed from us by the horrendous stench from tunnel tech

the most filthy vile TT stench from early morning, still stinking at 4pm. I am trying to do work in the community gardens & cannot continue due to the choking stink.

Bad odour most of day - See attached email.

1.30pm - He is 2 1/2 km away from site at bawtry and can smell horrible odour from TT.

On a scale from 1-5 he said its a 5.

12.52pm outside his house.
