## Details

Smelling today 13:10pm prevailing wind smells outside his house.

17:20pm outside house

TT stink driving past site Weds 6th Mar 11.30am and still stench at site at 2.30pm and into village.

11:50am outside house

Please record my complaint about the odour nuisance today.

Good afternoon (12.46pm to be precise)I use the term 'Good' loosely. Despite the wind and rain I have had to venture out only to find that there is, yet again, a horrendous

Disgusting sickening TT stench from 8.30am & even worse around 2pm in the village.

Smelling on road coming into the village at 1.25pm, 3.10 pm, 4.20 pm & 4.50 pm

Horrendous TT stench all day today 12 March, worse (if it can be worse) this afternoon & still stinking at 4.30pm.

been terrible all day but then BDC are letting Tunneltech get away with it time and time again. Isn't 'Environmental Health' supposed to protect the public from disgusting

The sun finally came out at 3.00pm and with it the horrendous pollution from Tunnel Tech. Why? You have the permit so please use it.

smelling coming outside his house at 12.20 pm today

Saturday 16 March - vile TT stink all day, driving past site & in village.

Please record this complaint about the odour nuisance today

Above still causing bad smell at 7.45pm.

9:30 On road past the factory , 12:45 ,14:25 and 15:00 outside house/in garden smells

To be honest I am sick to death of having my days in the garden ruined by the obnoxious smell emanating, yet again, from TTN.

I write again in despair at the terrible stench and pollution emanating from the Tunnel Tech Factory.

Tues 19 March - filthy vile TT stench from early morning & still stinking after 1pm. It is unbearable to say the least, & trying to do outdoor jobs without gagging/choking/coughing

See attached email regarding the bad smell coming from the above.

See attached email - Had to close bedroom window as the odour tonight is sickening.

2.40pm outside house

2:15pm-2:35pm Outside house/ drifting

28 March - the most horrendous TT choking stench from 6.30am, we could hardly breathe because the stink caught in our chests & throats. It is despicable that BDC are :

See attached email complaint about the bad smell from above. They opened their door at 6.50am and had to allegedly close it due to the odour which also caused complaints

Very bad smell this morning. Complainant had to close all windows and is concerned about what's going to happen with the Spring/Summer coming.

See attached email regarding the odour from the above. This email is accusing the Council of taking no action on this pollution.

30 March - disgusting vile TT stink again from early morning.
